

Harshit Buwade

✉ buwadeharshit9@gmail.com 📍 Indore, India [🌐 LinkedIn](#) [🐙 Github](#) [🔗 Portfolio](#)

Summary

Final-year B.Tech CSE (AI & ML) student with hands-on experience in AI, Machine Learning, Data Analytics, Software Development, Marketing, Brand Promotion, and Business Development. Skilled in Python, C++, SQL, Data Analysis, and UI/UX Design, with experience gained through internships, hackathons, open-source projects, and leadership roles. Passionate about developing innovative, technology-driven solutions.

Technical Skills

Programming Languages: Python, C++

Technical Skills: Machine Learning, Data Analysis, Data Structures & Algorithms (DSA), Front-End Development, UI/UX Design

Design & Creative Skills: Graphic Designing

Soft Skills: Leadership, Teamwork, Project Management, Effective Communication, Critical Thinking, Time Management

Education

Bachelors in Technology - Computer Science and Engineering (Artificial Intelligence & Machine Learning), <i>Institute of Engineering and Science, IPS Academy</i> CGPA : 7.9 Expected Graduation: Aug 2027	09/2023 – Present Indore, India
--	------------------------------------

Professional Experience

AIML Intern, MindCoders • Developed AI/ML projects and predictive models using Python. • Performed data preprocessing, model training, and evaluation. • Collaborated on real-world, industry-focused AI solutions.	05/2026 – 06/2026 Indore, India
AI Azure Intern, Edunet Foundation • Learned Artificial Intelligence concepts using Microsoft Azure services. • Explored cloud-based AI tools and machine learning workflows. • Built and tested AI-driven solutions through guided projects.	05/2025 – 06/2025

Projects

PaudhaMitra, AI Powered Plant Care Application

Tech Stack: Python, Machine Learning, Tailwind CSS, Render, Kaggle

- Developed an AI-powered plant care platform featuring disease detection and health recommendations.
- Trained and deployed a machine learning model using plant disease datasets.
- Integrated weather-based insights and deployed a responsive web application.

Wildlife Species Identifier Using Footprints, AI-Based Wildlife Classification System

Tech Stack: Python, Machine Learning

- Built a classification model to identify wildlife species from footprint images.
- Applied image processing and machine learning techniques.

- Improved identification accuracy through feature engineering.

Garbage Overflow Predictor, *AI-Powered Smart Waste Management System*

Tech Stack: Python, Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn

- Developed a machine learning model to predict garbage bin overflow.
- Generated overflow predictions to support efficient waste collection.

MindCare, *AI-Driven Mental Wellness Platform*

Tech Stack: React.js, Django, MongoDB, Python, NLP

- Developed an AI-powered platform for mental health support and wellness tracking.
- Integrated chatbot assistance, mood tracking, and counselor booking features.
- Built a secure and user-friendly system for peer support and mental wellness resources.

Certificates

- | | |
|---|---|
| • NEC'25 IITB AIR 119 | • GenAI Powered Data Analytics Job Simulation |
| • RDBMS PostgreSQL Training | • R Training Certification |
| • CA eDC IIT Delhi | • IEEE Volunteer |
| • Infosys Springboard 2025 | • NEC'24 IITB Finalist AIR 52 |
| • CA IIT Bombay Merit Certificate | • LoR From eDC IIT Delhi |
| • AWS Academy Graduate - Cloud Operations | • Data Analytics Essential Course - CISCO |

Leadership & Extracurricular Activities

Founder & Team Lead | Entrepreneurship Cell, IPS Academy | Aug 2024 - Present

- Founded and led the Entrepreneurship Cell, managing student teams and initiatives.
- Organized startup events, workshops, and industry networking sessions.

Campus Ambassador | eDC IIT Delhi | Dec 2025 - Feb 2026

- Assisted in promoting entrepreneurship events and initiatives.
- Coordinated student outreach and community engagement activities.

Campus Ambassador | E-Cell IIT Kanpur | Dec 2025 - Feb 2026

- Represented entrepreneurship initiatives within the campus community.
- Supported event promotions and student participation drives.

Campus Ambassador | E-Cell IIT Bombay | Jul 2024 - Jan 2025

- Promoted entrepreneurship programs and campus engagement activities.
- Increased student participation through digital outreach campaigns.
